- exchange on topics of migrant/refugees integration, artistic residences, communication and promotion of our activities, engaging new publics
- create new alliances and foundation for future collaborations
- discover Zagreb and its independent cultural scene

## DURING THE MOBILITY

- take care of your own learning process, but also let others follow their own learning
- open yourself for different cultures, attitudes, ideas
- explore, communicate, ask, share, doubt - this will be a time and space for that!

## PRACTICAL INFORMATION

### Currency

The Croatian currency is **kuna (HRK)**. **One kuna is 0,13 EUR**. You can find exchange offices all around the town, but they are usually open until 8 or 9 PM – so keep that in mind!

### Banks, ATMS, currency and exchange offices

The most **common banks** in Zagreb are Zagrebačka banka (UniCredit Group), Privredna banka Zagreb (Intesa San Paolo Group), Raiffeisen Bank and Erste Bank. There are also unidentified, international ATMs near the stations. The fee is between 10 kn and 10 % of the amount.

### Transport around Zagreb

Zagreb public transport ZET - <https://bit.ly/3gSySSh>

Paper tickets may be purchased in ZET's ticket offices or at kiosks of our partners.

Each individual zone requires the appropriate paper ticket for the ride. For a ride within the first or second zone during daytime transport there are paper tickets at the price of 4 kunas, which is valid for 30 minutes, paper tickets at the price of 7 kunas, which is valid for 60 minutes, well as paper tickets which cost 10 kunas and are valid for 90 minutes.

In contrast to the stored-value card, a single i.e. paper ticket is valid for travel in one direction only and the ticket has to be validated immediately upon boarding the vehicle.

The tickets that can also be bought from the driver are tickets worth 6 kunas which are valid 30 min, then tickets at the price 10 kunas which are valid 60 min and tickets worth 15 kunas, which are valid 90 minutes in one way and in one tariff zone, and daily tickets. Tickets at the price of 6 and 10 kuna are valid only in the first tariff zone.

Machines for validating paper tickets are installed near the first door of the vehicle, whereas in low-floor trams they are also installed at the rear door.

At night, we recommend using Bolt, Uber or taxi service, since trams and buses are irregular and rare. The cheapest taxi services are Uber/Bolt, Cammeo (1717) and Eco Taxi (1414 or via web: <https://www.ekotaxi.hr/en>). If you want to pay by card, you should announce that first. At taxi stations, you will find Radio Taxi Zagreb (so called 'Yellow Cab'), but it is mostly more expensive and only accepts cash.

### From airport to the city

**Shuttle bus** - <https://bit.ly/3qnwJkv>

One way ticket is 45 kuna (you CAN pay in euros but it's going to beat a slightly unkind exchange rate!) and bought in the bus from the driver - the buses leave every half hour, timetable is on the link.

Taxi - we recommend using Bolt/Uber since the regular taxis at the airport are very expensive.

Public bus - there is a public bus line 290 but it takes some time.
